The ViBe Creative District. A geographic location for creative businesses to flourish. Also, a 501c3 nonprofit.

Mission
To promote, support, connect, and inspire the arts and creative industries to boost our local economy, grow jobs, and enhance our quality of life.

Vision
To create and revive economic vibrancy in our neighborhood with a remarkable local vibe.

BEYOND THE BOARDWALK

Nestled within the Oceanfront area. Virginia Beach's own cultural arts enclave - the ViBe Creative District.

A hub for over 100 artists and creative businesses - including spirits, roasters and restaurants, workouts and wares, museums and more - the ViBe is where our creative businesses have set up shop to share their passion and inspire a sense of discovery in locals and visitors alike. Virginia Beach's first arts district is anchored by the Virginia Museum of Contemporary Art (MOCA) and has artisanal shops, art studios, vintage boutiques, luxury and antique furnishing specialists, a variety of culinary arts, and even a local craft distillery. Whether you're here for a few days or here for good, there's always something special going on.
