ViBe Creative District businesses to celebrate Small Business Saturday with a pop-up market, flash sales and scavenger hunt prize worth \$800+

(Virginia Beach, VA) November 14, 2017-- The ViBe Creative District nonprofit announced today that the public is welcome to participate in district-wide Small Business Saturday celebrations on Saturday, November 25th. Small Business Saturday is a national movement to encourage holiday shopping at local small businesses the Saturday after Thanksgiving. Locally, the events are coordinated by ViBe's resident think-tank collaborative coworking space 1701 – the Small Business Saturday neighborhood champion. As the neighborhood champion, 1701 organizes the main pop-up event and signs up neighboring businesses to participate in joint promotions.

“We are so grateful to 1701 for taking the lead on Small Business Saturday in the ViBe Creative District,” said Kate Pittman, Executive Director of the ViBe Creative District nonprofit. “Our business partners learn and benefit from collaborating year-round and this event is an excellent example of how we all benefit from joint promotions. The district consists of almost exclusively small, locally owned business who feature unique and handmade gifts –from whole bean coffees or local distillery spirits to branded merchandise, local artwork, fashion and dining gift certificates—all of which make perfect gifts for friends and family during the holidays.”

1701 is a neighborhood leader in collaborations between small businesses operating within their facility and around the district. Small Business Saturday provides the co-working space an

opportunity to invite the public into their space and to meet some of their business members and artists.

“Collaboration is the foundation of our success as a coworking space,” said Lisa DeNoia, co-owner of 1701. “Small Business Saturday presents a way for us to give back to the community and do something in partnership with our neighbors and local vendors. We’re very excited and can’t wait to welcome the public into our space and our neighborhood on November 25th.”
