## VIBE DISTRICT WALKING MAP

### Virginia Beach's own cultural arts enclave - The ViBe Creative District.

A hub for over 100 artists and creative businesses - artists and spirits, roasters and restaurants, workouts and wares, museums and more- the ViBe is where our creative businesses have set up shop to share their passion and inspire a sense of discovery in locals and visitors alike. Virginia Beach's first arts district is anchored by the nationally accredited Virginia Museum of Contemporary Art (MOCA) and active with artist studios at the Virginia Beach Art Center - home to the Artist's Gallery. ViBe has artisan shops, fashion boutiques, event spaces, culinary arts, a brewery and craft distillery, gourmet ice cream and more! Whether you are here for a few days or here for good, there's always something special going on.

Weekly and monthly events like First Fridays, Second Saturdays, the Old Beach Farmers Market and Old Beach Art & Eco Market, and VB Flea offer a taste of the town, bring fun and entertainment and provide an authentic neighborhood experience. Check out our website or follow us on social media for current updates. There is never a dull moment.

**So go beyond the boardwalk and create the ViBe.**
